

(6) Any person who uses or permits to be used for manufacturing under bond without a licence, or a licensee who uses or permits his bonded factory to be used in contravention of the terms of his licence shall be guilty of an offence and liable to a fine not exceeding two hundred thousand Dalasis or to imprisonment for a term not exceeding three years or to both; and any goods in respect to which an offence has been committed shall be liable to forfeiture.

Entry of premises as bonded factories

84. (1) A licensee shall, before commencing to manufacture under bond, make entry in the prescribed form and in the prescribed manner of each building, room, place and item of plant in his factory which he proposes to use in the manufacture or storage of raw materials or manufactured goods; and, in each entry, he shall specify the purpose for which each building, room, place or item of plant is to be used.

(2) A licensee shall not, in the course of manufacturing goods under bond-

- (a) make use of a building, room, place or item of plant in relation to which entry is required under this Section unless there is, in respect thereof, a valid entry;
- (b) effect, without prior permission of the Commissioner General, an alteration in shape, position or capacity to a building, room, place or plant.

Revocation of licence, etc

85. (1) Where the Commissioner General suspends, revokes or refuse to renew a licence under Section 83(1), he shall serve or cause to be served, in writing, on the licensee a notice to that effect.

(2) The notice referred to in Subsection (1) may be served by delivering it to the licensee or by leaving it at the bonded factory or with the person in charge of the bonded factory and thereafter deemed to have been served.

Entry of plant machinery, etc, for exportation or home use

86. (1) Where a manufacturer ceases to be licensed under Section 83, he shall enter and deliver for exportation or for removal to another bonded factory or

for home use all the plant, machinery and equipment, raw materials or manufactured goods in the bonded factory within such time as the Commissioner General may specify.

(2) Where on the expiry of the time specified by the Commissioner General under subsection (1), the plant, machinery and equipment, raw materials or manufactured goods are not entered and delivered in accordance with Subsection (1) then the plant, machinery and equipment, raw materials or manufactured goods shall be liable to forfeiture.

Manufacturer to provide facilities

87. (1) A manufacturer shall:

- (a) provide office accommodation and just weights, scales, measures and other facilities for examining and taking account of goods and for securing them as the proper officer may reasonably require;
- (b) keep a record of all types of plant, machinery and equipment, raw materials and goods manufactured therein and keep that record at all time available for examination by the proper officer; and
- (c) provide all necessary labour and materials for the storing, examining, packing, marking, repairing, weighing and taking stock of the goods therein whenever the proper officer so requires.

(2) Where a manufacturer contravenes any of the provisions of this Section, the Commissioner General may direct that the manufacturer shall cease operations until he has complied with those provisions to the satisfaction of the Commissioner General.

(3) A manufacturer who contravenes any of the provisions of this Section or of a direction given by the Commissioner General under this Section shall be guilty of an offence.

Receipt and storage of raw materials and manufactured

88. (1) All raw materials, whether imported or obtained locally, received in the bonded factory shall be stored in a room of which an entry for the purpose has been
